## FINANCIAL INFORMATION

The fee of \$100 will be required to complete the registration process. Book and matriculation fees are due no later than June 10, 2023 to avoid a price increase. Graduation fees are due May 1, 2024.

Refunds cannot be made on registration, book and matriculation fees, uniforms, monthly tuition for the current month, after/morning care, or lunchroom charges. If the student withdraws early, unused tests and quizzes will not be returned. Students may keep their textbooks or donate them to the school.

After care, morning care, and lunchroom charges will be billed on the monthly statement and are payable on receipt.

The annual tuition is divided up into **ten monthly installments payable on the first of the month**, beginning August 1, 2023 and continuing through May 1, 2024. This is the minimum amount that may be paid monthly unless a special payment plan contract has been completed, signed and on file in the office.

Payments may be made any time before the due date. There is a grace period of 10 days before payment is considered late.

A \$20 late fee will be assessed on the 11th of the month, on any past due account, regardless of which day of the month the tenth falls.

Accounts on which a check is rejected by the bank for reasons of, but not limited to, non-sufficient funds, etc., will be assessed a fee of \$25.00. If such a transaction causes the account to become delinquent, the late fee will be assessed monthly until the account is made current. After the second bank rejection, all payments must be in the form of a bank check, money order or cash.

If the account is delinquent more than 30 days, the student may be financially withdrawn from the school until payment or arrangements have been made.

Transcripts, report cards, or any records will not be released until all financial obligations are met.

The school has the right to charge the account for any damages done to the school by the student to cover the expense to repair or replace damaged property.
